

# ~~THE DESTINED PATH~~

WRITTEN BY KRISTY FUNG

**BEFORE YOU READ:** When reading from top to bottom, it brings a negative tone (past). Once you get to the end of the poem, read it from bottom " To forget the past and look into the future/And persist/ To strive and endure as an individual" etc back to the top. By the time you get to the top, you would have noticed that it has a positive tone, which is what this poem is trying to convey as we REVERSE the past and better the future. That basically the future is in our hands and it is dependent on us to incorporate PASSION.ACTION.IMPACT.

THIS IS THE REALITY

THE METAMORPHOSIS

IN OUR HOME, OUR EARTH

CHILDREN PLAYING RESTLESSLY

WILL BE HISTORY

INSTEAD

SHOOTING AND DEATHBEDS

WILL BECOME AN INDISPUTABLE FACT

DEMONSTRATING AFFECTION TO HUMANITY

WERE THE BYGONE DAYS

PERMAFROST THAT REFUSES TO CRYSTALLIZE

AND

DESCENDANTS THAT NEGLECT THEIR ANCESTORS

WILL REFORM OUT AEON

EMPATHY AND FAITH

WILL BE ELIMINATED

ONLY GREED AND ENVY

WILL DOMINATE

UNITY

IS ONLY AN ILLUSION, INSTEAD

BETRAYAL AND HATRED

BETWEEN RACES WILL OVERCOME

WORLD PEACE AND HARMONY

COUNTRIES WILL AGREE

TO CONTINUE THE WARS

NO LONGER WILL THERE BE PERSUADING

TO COMPROMISE

WE MUST LEARN

TO STRIVE AND ENDURE AS AN INDIVIDUAL

AND PERSIST

TO FORGET THE PAST AND LOOK INTO THE FUTURE
